

Getting to The Cottage at Hideaway

The Cottage is located in a very quiet and secluded country road facing onto the reserve and then the river. Although secluded, you will find that you are within walking distance of many facilities as well as the town centre. Walking tracks, the bowls club, the golf course, Denmark Hotel, the tennis courts, supermarkets, craft shops, coffee shops and restaurants are all just a few minutes away.

The Cottage at Hideaway is at 3 Bayley Street; this is a small country road but very easy to navigate. It can be accessed via Beveridge Road. This is the third street after the Denmark Bridge, on the right hand side when leaving the town centre (see map below). Just beyond Beveridge Road is the Denmark Shire Council Chambers.

Drive along Beveridge until you reach the last house on the right (17a Beveridge is on your left) and you will see the access to Bayley Street just after this house. Drive along Bayley Street until you reach the first house facing towards it (see photo below). There is a sign "The Cottage at Hideaway" on the gate as well as instructions on how to open the gate (it has a hinge in the middle). Drive in and go around to the back, the first door has the electronic combination door lock to enter and open the garage.

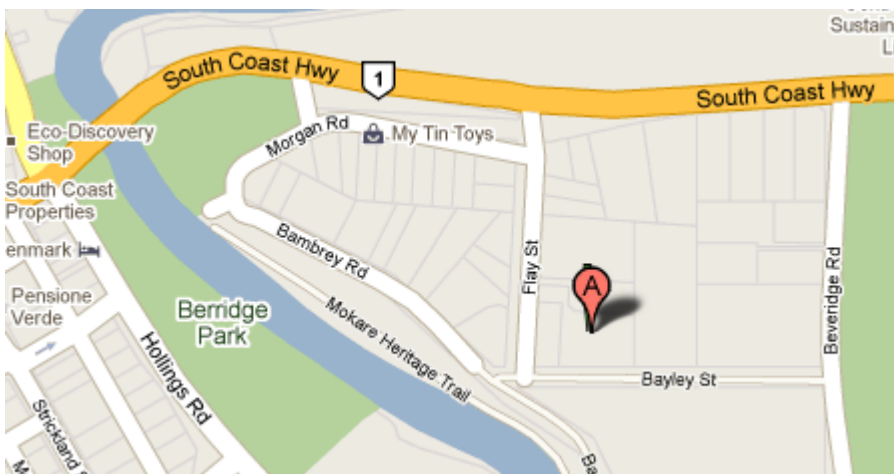

The Cottage at Hideaway

The Cottage at Hideaway

The green arrow shows you where The Cottage is located looking down into the reserve and a short walk over the bridge and into Denmark town.

Turn left off the South Coast Highway and along Beveridge then right into Bayley Street.
